FALL 2022 GUIDANCE FOR REGULAR PART-TIME APPOINTMENT REQUESTS

A. Appointment of New Regular Part-Time Faculty – Request via Online PA7 System

New regular part-time faculty hires must be processed through the online PeopleAdmin 7 (PA7) Faculty/Librarian Employment System. The PA7 Administrator’s Users Guide is a valuable tool to help with navigating this system. This guide may be found at this link: PA7 Administrators Guide. For assistance with PA7, or to request access to the system, please contact Johnny Vail at fpo_recruit@gwu.edu.

B. Reappointment of Regular Part-Time Faculty

Regular Part-Time (RPT) faculty are normally appointed for an academic year. A dean’s memo outlining faculty duties and course load for the academic year and a Change in Status form to reappoint are required for RPT reappointments.

GUIDANCE ON COURSE LOAD, BACKGROUND SCREENING, I-9 COMPLETION, GW EMAIL, NETID ACQUISITION AND COVID-19 VACCINATION DOCUMENTATION

A. Course Load

The course load guidance for part-time faculty is a maximum of nine credit hours per academic year; or as outlined in the appointment. Requests for overload teaching due to exceptional circumstances must be sent to the Dean and the Provost for approval. Part-time faculty must be compensated for overload courses based upon the Collective Bargaining Agreement per course minimums or above.

B. Background Screening

The university is required to conduct a standard background screening for all new part-time faculty, and for reappointed part-time faculty with a 13+ month gap in service. All offers of employment are contingent upon the successful completion of a background screening.
Background Screenings (continued)

Background screenings for temporary part-time faculty must be initiated by schools. The hiring material moves forward in workflow while the background screening is in process. The responsible party initiating the screening should send an email to Talent Acquisition and Recruitment (TAR) at facultybg@gwu.edu. This email should include all pertinent information such as: name, email address, position, anticipated start date, etc.

C. I-9 Employment Eligibility Form Completion

The University is required by federal law to verify the eligibility of a faculty member to legally work in the United States and at GWU. As a result, employment offers are contingent upon the timely completion of the legally required I-9 verification process. Departments must notify new faculty members, prior to their first day of work, of the need to complete the I-9 Form within three days of hire. Departments should notify any faculty members expected to teach in the Fall 2022 semester that an I-9 should be completed as soon as possible. The guidelines for completing the I-9 process can be found at: https://hr.gwu.edu/employment-eligibility-verification. Failure to provide appropriate I-9 documentation within three days of hire can result in immediate termination of employment.

D. GW User ID and Email

Departments should remind new faculty to open the link in the email they receive with their appointment letter in order for them to gain access to their GW UserID and GWemail address. This should be done as soon as possible so that important information is not missed. All official GW correspondence will be sent to the GW email.

E. Vaccine Requirement for On Campus Access

Departments should also notify all part-time faculty who will need access to GW-owned or operated buildings that they must provide documentation of having been fully vaccinated, including booster(s), against COVID-19. Guidelines for uploading vaccination records and for limited exemptions related to medical or religious reasons can be found at https://coronavirus.gwu.edu/vaccine#exemption
