A. Appointment of New Regular Part Time Faculty – Request via Online PA7 System

New regular part time faculty must be hired through the online PeopleAdmin 7 (PA7) Faculty/Librarian Employment System. The PA7 Administrator's Users Guide is a valuable tool to help with navigating this system. This guide may be found at this link: [PA7 Administrators Guide](#). For assistance with PA7, or to request access to the system, please contact Nura Kinge at frpr@gwu.edu.

B. Reappointment of Regular Part Time Faculty – Automatic Renewal

GUIDANCE FOR SPRING 2019 ONE TIME INCREASE

In compliance with the terms agreed upon in the new Collective Bargaining Agreement, temporary and regular part time faculty who served continuously for fifteen academic years as of Spring 2018 and were compensated at a rate that was within 25% of the 2017-2018 CBA minimum, will receive a one-time increase of \$250 per course taught in Spring 2019 up to a maximum of \$750. This increase will be credited to eligible part-time faculty in their March pay.

A supplemental compensation form (attached) should be prepared for the appropriate amount (\$250 per course taught; up to a maximum of \$750) for any part time faculty in your department who meet the criteria above. The supplemental compensation form should be forwarded to ptaptcomp@gwu.edu no later than February 1, 2019. School finance directors will receive a listing of eligible faculty from the Faculty Affairs office under separate cover.

GUIDANCE ON COURSE LOAD, BACKGROUND SCREENING, I-9 COMPLETION, AND GW EMAIL ADDRESS AND NET ID ACQUISITION

A. Course Load

Part time faculty may teach up to a maximum of nine credit hours per academic year. Requests for overload teaching due to exceptional circumstances should be sent to the Dean and the Provost for approval.

B. Background Screening

The university is required to conduct a standard background screening for all new part time faculty, and for reappointed part time faculty with a 13+ month gap in service. All offers of employment are contingent upon the successful completion of a background screening.

Background screenings for temporary part time faculty must be initiated by schools. The hiring material moves forward in workflow while the background screening is in process. The responsible party initiating the screening should send an email to Talent Acquisition and Recruitment (TAR) at facultybg@gwu.edu. This email should include all pertinent information such as: name, email address, position, anticipated start date, etc.

C. I-9 Employment Eligibility Form Completion

The University is required by federal law to verify the eligibility of a faculty member to legally work in the United States and at GWU. As a result, employment offers are contingent upon the timely completion of the legally required I-9 verification process. Departments must notify new faculty members, prior to their first day of work, of the need to complete the I-9 Form within three days of hire. Departments should notify any faculty members expected to teach in the Spring 2019 semester that an I-9 should be completed no later than December 16, 2018. The guidelines, locations and office hours for completing the I-9 process can be found at <https://hr.gwu.edu/completing-i-9-process>. Failure to provide appropriate I-9 documentation within three days of hire will result in immediate termination of employment.

D. GW Email Address and NetID Aquisition

Departments should also advise all new faculty members that their GW email address will need to be set up prior to the start of classes. Faculty can claim their NetID at <https://identity.gwu.edu/claim>. **Please note that faculty members will not be able to claim their NetID until they have completed an I-9.**
